

## CURRICULUM VITAE

---

1. **Last Name** : **Emini**
2. **First Name** : **Arnault Christian**
3. **Date of birth** : **September 25, 1965**
4. **Place of birth** : **Abong-Mbang (Cameroon)**
5. **Passport holder** : **Cameroonian**
6. **Residence** : **Cameroon**
7. **Marital status** : **Married, 04 children**
8. **Current positions** :
  - **Senior Policy Advisor at the Prime Minister's Office of the Republic of Cameroon, for Economic Analysis and Prospects' Affairs.**
  - Senior Lecturer and Researcher, The University of Yaoundé II ( Cameroon ), Faculty of Economics and Management , Department of Economic Analysis and Policies;
  - Teacher at the "Economic Policy Management Programme" , Yaounde;
9. **Address** :
  - P.O. Box : 35361 Yaounde, Cameroon.
  - Email : [ceminia@yahoo.fr](mailto:ceminia@yahoo.fr)
  - Cel Phone : (+237) 677 45 52 52
10. **Special Skills** :
  - High-level skills in CGE modeling and other economic policy analysis tools;
  - Training and applying those models and tools in several African and non-African countries;
  - High-level knowledge on building National Accounts and various Statistics' tables;
  - Software for programming and solving Computable General Equilibrium Models: GAMS (General Algebraic Modeling System) , Eviews.
  - Software for poverty and distribution analysis : DAD, DASP, Stata.

**11. Education :**

<i>Institution [date from - to]</i>	<i>Diploma(s) obtained</i>
The University of Yaounde - Cameroon, 1995-1998	<b>Doctorate in Economics</b> , With First Class (highest) Honours, and Special Congratulations of the Jury. Theme: <i>“On the Economic outcomes of an imperfect system of Value Added Tax in Cameroon. Analysis of the 1994 tax and customs reform using a CGE model”</i> .
Laval University- Quebec, Canada, 1994 (PARADI School in modeling the economic development policies)	Certificate of Participation in Advanced Courses on Computable General Equilibrium (CGE) Modeling
Laval University- Quebec, Canada, 1993 (PARADI School in modeling the economic development policies)	Certificate of Participation in Introduction Courses on Computable General Equilibrium (CGE) Modeling
Global Trade Analysis Project (GTAP), Purdue University, West Lafayette - USA, du 21 mai au 13 août 2007	Certificate of Participation to the “Fifteenth Annual Short Course in Global Trade Analysis”, Training workshop on GTAP worldwide CGE Model.
The University of Yaounde - Cameroon, 1990-1991	Advanced Studies Diploma in Economics
The University of Yaounde - Cameroon, 1989-1990	Master Degree in Economics
The University of Yaounde - Cameroon, 1987-1989	Degree in Economics
The World Bank Institute, April 25 - June 27, 2001	Certificate of participation in the course on “Globalization and the new trade priorities in Africa”.
National School of Administration (ENA), Paris (France) - 2010	Certificate of Participation in Workshop on Business Intelligence

**12. Language skills: Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)**

<b>Language</b>	<b>Reading</b>	<b>Speaking</b>	<b>Writing</b>
French	1	1	1
English	1	2	2

**13. Membership in professional and scientific bodies:**

- PEP (Partnership for Economic Policy) International Research Network:
  - a. Research Fellow;
  - b. Resource Person;
  - c. Member of the Policy Outreach Committee

- Member of the Scientific Committee of the Economic Observatory of the Chamber of Commerce, Industry, Mines and Crafts in Cameroon.
- Member of the Society for the Study of Economic Inequality – ECINEQ; Headquarters: Universitat de les Illes Balears, Palma de Mallorca, Spain).
- Member of the *Société canadienne de science économique (SCSE)*.
- Research Fellow of the GTAP (Global Trade Analysis Project). Purdue University, West Lafayette, Etats-Unis d'Amérique.

#### 14. Some specific professional country experiences:

Country	Date: month/year
Cameroon	19-11/2011, 2008, 2010, 2013. 1999-present
Chad	2018
India	6/2018
South Korea	2014
Canada	1999-2000, 2001-2002, 2013
Burundi	04-05/2010
Rwanda	2006, 2007, 2009
Kenya	11/2005
Côte-d'Ivoire (Ivory Coast)	04/2002, 12/2001
Senegal	12/2004, 04/2003, etc.
Benin	12/2002
Brazil	11/2002
Burkina Faso	07/2003

#### 15. Some details on professional experience

Date: from...to...	Location	Reference	Position	Description
July 4, 2016 - Present	Cameroon	Prime Minister's Office	Senior Policy Advisor/ Mission Officer	Economic Analysis and Prospects
September 6, 2005- July 4, 2016	Cameroon	Prime Minister's Office	Economic Advisor	Economic Analysis and Prospects
February 4, March 1, 2019	Cameroon	PEP - Partnership for Economic Policy (Mrs. Margaret Chitiga, Mrs. Jane Mariara)	Scientific Mentor	Mentoring two researchers (Ghanean and Togoleese) during their Study Visit in the University of Yaounde II, in the framework of their PEP funded research project on the theme: <i>Identifying Key Policy Options for Growth and Gainful Employment in Ghana</i>
June 8-15, 2018	Bangalore, India	PEP - Partnership for Economic Policy (Mrs. Margaret Chitiga, Mrs. Jane Mariara)	Resource Person	Review of Papers submitted by PEP researchers in the framework of the 2018 Annual Meeting of the Partnership for Economic Policy (PEP)
November 2017 - December 2018	Chad (N'Djaména and Mara), Cameroon	UNICEF Chad (Mariana Stirbu and Hamid Ahmat)	Consultant	Impacts of the 2014-16 drop in oil prices on child poverty in Chad: Analysis using a dynamic CGE model with fully integrated microsimulations

Date: from...to...	Location	Reference	Position	Description
January 2018 - Present	Cameroon -	PEP - Partnership for Economic Policy (Mrs. Jane Mariara; Mrs. Margaret Chitiga; Mrs. Marjorie Alain)	Resource-Person / Member of the PEP Outreach Committee	As a resource person for the PEP MPIA group: Review and discuss some of the Research proposals or reports.  As a member of the PEP Policy Outreach Committee (POC): Review and comment Policy Context Analyses.
January-June 2017	Kenya - Cameroon	PEP - Partnership for Economic Policy (Mrs. Jane Mariara, Executive Director; Mrs. Helene Maisonnave, Research Director; Mrs. Marjorie Alain, Director of Communications, Monitoring and Evaluation)	Resource-Person / Member of the PEP Outreach Committee	As a resource person for the PEP MPIA group: Selection of MPIA PAGE II projects; Comment research proposals during the MPIA sessions of the PEP General Meeting.  As a member of the PEP Policy Outreach Committee (POC): Review and comment the policy context analyses of shortlisted projects; Meeting with representatives of the shortlisted projects' teams during the PEP annual conference (June 8-12), to discuss and advise their policy engagement strategy.
August - October 2015	Cameroon	Oxford Policy Management - UNICEF (Luca Pellerano; Carolyn Puliti Picchi; Anthony Hodges)	Consultant	Support to UNICEF Cameroon Country Office by conducting a study entitled: "Review of public expenditure in the social sectors in Cameroon, 2008-2014 period".
April - May 2015	Nairobi, Kenya	PEP - Partnership for Economic Policy (Bernard Decaluwé; Hélène Maisonnave)	Resource Person	Trainer during the pre-conference Workshop on Advanced Modeling Techniques in Computable General Equilibrium; Evaluator and commentator of research projects and reports.
August 05 - October 25, 2013	Quebec, Canada	PEP - Partnership for Economic Policy (John Cockburn, Bernard Decaluwe)	Invited Researcher	Researches on modeling Economic Partnership Agreements between European Union and African, Caribbean & Pacific countries
March 15 - June 30, 2013	Cameroon	The World Bank (Stephen Mink, Gina Bowen)	Consultant	Construction of a Social Accounting Matrix (SAM) intended for a CGE analysis of the agricultural sector performance in Cameroon.
November 2011 - March 2012	N'Djamena (Chad) - Yaounde (Cameroon)	ECOPA (Economic Policy Analysis), Bastia, France (Charles Vellutini, Director)	Consultant	Building National Accounts and Trade Data for Chad, and a Social Accounting Matrix for Cameroon,
August 22 - November 4, 2011	Online (Distance Learning : August 22 to October 21) and Yaounde , Cameroon (Face-to-Face Workshop, October 24 to 4 November)	Partnership for Economic Policies (PEP) Research Network, Quebec, Canada (réf. : J. Cockburn, B. Decaluwé, A. Martens, H. Maisonnave, A. Diop)	Co-Organizer and Trainer	First edition in Cameroon of the PEP School: training in modeling and analysis of impacts of economic policies and exogenous shocks (Computable General Equilibrium Models)

Date: from...to...	Location	Reference	Position	Description
April - May 2010	Burundi	Development Training International (DTI), Swaziland (Mrs. Carol Pr�at, Program Coordinator); and PRIME-Burundi (Mr Donatien Kanyange, Coordinator)	Consultant/Trainer	Training Workshop on CGE Models centered on the Poverty Analysis - Social Accounting Matrices, Computable General Equilibrium models. Workshop was provided to nominated officers of the Government of Burundi under the auspices of the Ministry of Planning and the Reconstruction of Burundi and with the support of the Project PRIME-BURUNDI
February 2009	Rwanda	National Institute of Statistics of Rwanda	Consultant	Update of the "Supply and Use Tables" of Rwanda
June - December 2009	Cameroon, Senegal, United Kingdom	UNICEF (UNICEF Cameroon Representative, Dr. Ora Musu Clemens-Hope)	Consultant	Assessment of the Impacts of the 2008/2009 Global Economic Crisis on Child Poverty in Cameroon, and Options for a Policy Response, using a micro-simulation dynamic CGE model.  <i>Within a team made of PEP Researchers</i>
September 2008 - January 2009	Cameroon	World Bank (Mrs. Bouwe Brigitte Audrey, Mr. Abdoulaye Seck)  German Technical Cooperation (GIZ) Cameroon (Mrs. Haeming Barbara, PRSP)	Consultant/Team Leader	Commissioned report entitled: <b>"Spatial Analysis of the Pro-Poor Growth in Cameroon using Monetary and Nonmonetary Approaches to Poverty"</b> .  Study done in the framework of the "Shared Growth and Spatial Considerations in Cameroon" project. World Bank and GIZ, Cameroon.  This study aimed at identifying the factors which explain the differentials in growth fruits from one region to another in Cameroon, and then makes recommendations of the most appropriate policies to render growth more spatially equitable. Monetary and non-monetary indicators of the standard of living were built, in order to assess the level of pro-poorness of this growth. Finally, Bayesian Model Averaging made it possible to identify the factors that discriminate the spatial distribution of growth and consequently to formulate appropriate policies.
April 2008 to August 2008	Yaound� - Cameroon	Ministry of Finance (Mr. Bela Lazare, Director of Forecasting, <a href="mailto:lazare_bela@hotmail.com">lazare_bela@hotmail.com</a> ; <a href="mailto:lbela@cenadi.cm">lbela@cenadi.cm</a> ; Phone: (+237) 99823322 / 77873857 / 22222881 ; Mr. Titi Pierre: Minister Delegate on Finance, Yaound�)	Consultant - Resource person	Commissioned report entitled: <b>"The Impacts of the Interim EU-Cameroon Economic Partnership Agreement on the State Budget in Cameroon. A Computable General Equilibrium Analysis"</b> . The study focuses on the budgetary impacts of dismantling the customs duties levied on the imports of Cameroon originating from EU, as scheduled in the framework of the EU-Cameroon interim EPA. Public deficits induced by this EPA are assessed for 20-year period, through the use of dynamic CGE model, and various scenarios of compensation were suggested accordingly.
2008 - 2009	Cameroon	French Development Agency (Agence Fran�aise de D�veloppement)	Expert Consultant	"Ex-post evaluation of the French cooperation with Cameroon, 2001-2007". Report commissioned and published by the French Development Agency. Co-authors: Luc LeFebvre , Marc Raffinot , Jo�lline Benefice. <a href="http://www.oecd.org/countries/cameroon/44663989.pdf">www.oecd.org/countries/cameroon/44663989.pdf</a>

Date: from...to...	Location	Reference	Position	Description
September 2007 to December 2007	Yaoundé (Cameroon); Kigali (Rwanda).	The World Bank ( <i>Kene Ezemenari</i> ) Government of Rwanda ( <i>Ministry of Finance and Economic Planning</i> )	Consultant	Development of a Social Accounting Matrix of Rwanda, economic data of 2006, for macroeconomic and poverty analyses. The immediate aim of this Social Accounting Matrix was to form the basis for the development by IFPRI (International Food Policy Research Institute, Washington, D.C.), of a Computable General Equilibrium model intended to assess the likely effectiveness of alternative agricultural development strategies in stimulating growth and poverty reduction in Rwanda. The main part of the SAM works was undertaken in Kigali by the Consultant, from September 28 to October 22, 2007, in order to interact more closely with staffs of concerned Rwandese administrations. The building process involved the prior design of a Supply and Use Table (SUT) for Rwanda, and the compilation of data from household survey.
August 2005- November 2006	Yaoundé (Cameroon); Kigali (Rwanda).	The World Bank ( <i>Kene Ezemenari</i> )	Consultant	<ul style="list-style-type: none"> <li>• Development of the social accounting matrix of Rwanda, economic data of 2001</li> <li>• Study of the impact of trade liberalization measures on the economy using a Computable General Equilibrium model.</li> </ul>
November 2005	Nairobi, Kenya	African Economic Research Consortium (AERC) - PEP ( <i>Bernard Decaluwé</i> )	Trainer	Training Workshop on Development Policy CGE Modeling - SAMs, CGE models
July - December 2005	Yaoundé, Cameroon	International Lawyers and Economists Against Poverty (ILEAP), Toronto, Canada ( <i>Hugo Cameron; Dominique Njinkeu</i> )	Economist	Working Document : "Prospective Aid for Trade in the Doha Round and the Economic Partnership Agreements : The Case of the CEMAC countries"
January 2005 - present	Yaoundé, Cameroon	Faculty of Economics and Management of the University of Yaounde II	Senior Lecturer	<ul style="list-style-type: none"> <li>• Supervision of research dissertations;</li> <li>• Lectures in Microeconomics;</li> <li>• Lectures in Economic modeling, including CGE models and Macroeconomic framing.</li> </ul>
September 1999 - January 2005	Yaoundé, Cameroon	Faculty of Economics and Management of the University of Yaounde II	Lecturer	<ul style="list-style-type: none"> <li>• Lectures in Microeconomics;</li> <li>• Tutorial sessions in Microeconomics , Statistics and Mathematics.</li> </ul>
2003 - present	Yaoundé, Cameroon	Training Program in Economic Policy Management	Trainer	<ul style="list-style-type: none"> <li>• Supervision of trainees in the drafting of the " Notes to the Minister</li> <li>• Lectures in Economic modeling : Macroeconomic framing and forecasting, and CGE Models.</li> </ul>
December 2004	Dakar, Senegal	The World Bank Institute ( <i>Pierre Richard Agénor, Hippolyte Fofack</i> ) / Multilateral Institute of Africa	Trainer/ Economist	Contribution to the development and teaching of the <b>IMMPA Model (Integrated Macroeconomic Model for Poverty Analysis)</b> : a model used for analyzing the <b>impact of macroeconomic policies</b> and external shocks on income distribution, employment and <b>poverty</b>
April 2003	Dakar, Senegal			
November 2002	Sao-Paulo, Brazil			
April 2002	Abidjan, Ivory-Coast			
December 2001	Abidjan, Ivory-Coast			
2002	Quebec, Canada	CRÉFA, Laval University	Economist/ Modeler	Development and teaching of the CGE Model of the Quebec Ministry of Finance, jointly with Bernard Decaluwé (Laval University)

Date: from...to...	Location	Reference	Position	Description
December 2002	Cotonou, Benin	Ministry of Finance and Economy ( <i>Epiphane Adjovi, Claude Sinzogan</i> )	Expert	Validation of the Report on Economic Models of the Ministry of Finance and Economy of Benin.
September - November 2007	Purdue, West Lafayette (Etats-Unis) et Yaoundé (Cameroun)	Purdue University, USA	Economic Modeller	Contribution to the GTAP (Global Trade Analysis Project) database with data entry of Cameroon.
July 2003	Ouagadougou, Burkina Faso	PEP Research Network, Quebec, Canada	Trainer	Technical assistance to African research teams ( Mali, Burkina Faso and Niger ) to build their Social Accounting Matrices (SAM).
February - March 2011	Cameroon	PEP Research Network, Quebec, Canada	Reviewer	Review of a paper submitted by a PEP researcher for publication as a PEP-MPIA Working Paper. Project No. MPIA-12264
August 2010	Cameroon	PEP Research Network, Quebec, Canada	Reviewer	Review of study proposals using CGE Model, submitted to PEP Network by a researcher for funding. Evaluation propositions MPIA 12093 and MPIA 12097
2011 - present	Dschang, Cameroun	University of Dschang	Invited Professor	Lectures in Economic Modelling and Quantitative Analysis - Master Level

## 16.2. Some participations to conferences as speaker

- *International Conference on Recent Macroeconomic Models*, October 30-31, 2014. Organized by The Bank of Korea, Seoul – South Korea.
- *15th Annual Conference on Global Economic Analysis*, June 27-29, 2012, at World Trade Organization and “Centre International de Conférences de Genève”, Geneva, Switzerland.
- *Fourth Meeting of the Society for the Study of Economic Inequality (ECINEQ)*, Catania (Italy), July 18-20, 2011. A forum for a rigorous analysis of inequality, welfare and redistribution issues, both at the theoretical and at the empirical level, as well as for a discussion of the policy implications of the research findings in this field.
- Conference on *The global economic crisis – Including children in the policy response*. Jointly hosted by UNICEF and ODI in London, November 9-10, 2009, UNICEF UK, 30a Great Sutton Street, London EC1V 0DU. This Conference brought together development practitioners, policy experts and academic researchers from around the world to develop a deeper understanding of the ways in which the food and fuel price volatility, financial market volatility and global economic slowdown were affecting children, women and other vulnerable groups, and how policy responses to the crisis could put these most vulnerable groups first.

- *The Eleventh Annual Conference on Global Economic Analysis*, in Helsinki (Finland), June 12 – 14, 2008, focused on the Future of Global Economy (Globalization and economies in transition; Development, poverty and vulnerability; Energy and environment; and Wealth, aging and income distribution).
- *Workshop on Poverty Impacts of the Doha Development Agenda*. TIPS (Trade and Industrial Policy Strategies), The University of the Witwatersrand School of Economic & Business Sciences (SEBS - Johannesburg), and The World Bank, Pretoria (South Africa), 06 April 2005, Holiday Inn, Beatrix Street, Arcadia.
- *Workshop on Economic Partnership Agreements (EPAs) For Southern Africa*. Maputo, Mozambique, 4 – 6 April, 2005.
- *Premier Colloque Annuel du GPE : “Budget et politique économique en Afrique”*. Université de Yaoundé II, Programme de formation en Gestion de la Politique Economique, 20 janvier 2005, Yaoundé (Cameroun).
- *Conference on “Putting Development Back into the Doha Agenda: Poverty Impacts of a WTO Agreement”*. Sponsored by the BNPP Trust Fund. The Hague (Netherlands), December 2-4, 2004. Proceedings to be subsequently published by Oxford University Press in: Thomas W. Hertel and L. Alan Winters, editors (2005).
- *7<sup>th</sup> Annual Conference on Global Economic Analysis. Trade, Poverty, and the Environment*. June 17-19, 2004. The World Bank, Washington, D.C., United States.
- *“Conference on Public Finance and Development”*. Cornell University and the International Seminar in Public Economics (ISPE), Cornell University, Ithaca, New York, September 7-9, 2001.
- *Premier Colloque International Georges W. Ngango*. 26-28 February, 2001, Yaoundé (Cameroon), University of Yaoundé II.
- *XVII<sup>es</sup> Journées de Microéconomie Appliquée (JMA)*. 8-9 June, 2000, Quebec (Canada).
- *40<sup>e</sup> Congrès de la Société Canadienne de Science Economique (SCSE)*, 17-18 May, 2000, Hôtel du Parc – Renaissance, Montréal (Canada).

- *II<sup>es</sup> Journées du CRÉFA (Centre de Recherche en Économie et Finance Appliquées), 19-20 April, 2000, Université Laval, Québec (Canada).*
- *"Séminaire sur la mise en place des capacités d'analyse dans les domaines de sécurité alimentaire, d'analyse de politiques économiques et des échanges commerciaux dans les sous-régions Afrique Centrale et de l'Ouest". Kribi (Cameroun), 9-13 March, 1998. Organized by the Centre de Développement Sous-Régional pour l'Afrique Centrale, UNECA.*
- *"Troisième Conférence sur les Problèmes Economiques Africains", In Cotonou (Bénin), 24-27 January, 1997.*
