

CURRICULUM VITAE

1. General information

Name: Luc SAVARD
Date of Birth: 29-05-1966
Nationality: Canadian and French
Address: 3 Avenue Maréchal Joffre, 66300
Thuir, France
Email: lucjrsavart@gmail.com
Web : www.lsecoconseil.com

2a. Academic background

Sept. 1998-2006 PhD: Economics, Paris School of Economics-EHESS - Paris
Thesis title: Poverty and income distribution in a CGE micro-simulation
context
Thesis supervisor: François Bourguignon.
Committee members: Sherman Robinson, Patrick Guillaumont, Bernard
Decaluwé and Denis Cogneau

1992-94 Université Laval, Québec, Québec
Masters in Economics
Title of Thesis: Introducing informal sector formally in a CGE model.
Supervisor: Bernard Fortin, Nicolas Marceau

1991-92 Université Laval, Québec, Québec
Preparation year for M.A. Economic Sciences

1990-91 Université de Moncton, Moncton, N.B.
One semester of master's in public administration
Part Time

1985-89 Ryerson University, Toronto, Ontario
Bachelor of Applied Arts in Environmental Health
Title of BAA. thesis: A comparative study of rural wastewater
management in Sweden and Canada.

2b. Language skills

French, English (fluent) and Spanish (basic)

3. Software skills

- GAMS (General Algebraic Modeling Systems), SPSS, HTML, Latex.

4. Research impact

- Google Scholar: Citations= 3897, H-Index = 28, i-10 Index = 70.
- Research Gate: Research Interest Score = 1449, Reads = 60190, Citations = 2192, Recommendations = 41.
- IDEAS/REPEC: Average rank score = top 9%, number of distinct works = top 3%, number of citations = top 8%, h-index = top 7%, number of journal pages = top 4%, number of downloads past 12 months = top 6%.

5. Professional experience

- December 2025 University of Firenze (UNIFI)
Invited professor

Course: Environmental economics
- January 2025 LS Eco Conseil.
Position: Funder and Economic analyst.

Economic impact analysis, capacity building and networking.
- January 2025 Aviseo Conseil.
Position: Associate (part-time).

Economic impact analysis, capacity building and networking.
- Oct. 2025 Université de Mayotte,
Affiliate professor,

Course : Economic environment of organizations.
- January 2025 à juin 2025 FGSES, University Mohammed VI Polytechnic, Rabat, Morocco.
Position: Affiliate professor (part-time).

Course: Introduction to public policy analysis.
- January 2020 To Jan. 2025 FGSES, University Mohammed VI Polytechnic, Rabat, Morocco.
Position: Full professor.

Teaching: Environmental and natural resource economics (graduate) Sustainable development policies (graduate), Public Policy and Risk Management (graduate), Introduction to policy analysis (graduate), Evidence-Based decision making (graduate), Thematic seminars and research methods (graduate), Environmental Economics (Phd).
- June 2014 to Dec. 2019 University of Sherbrooke
Position: Full Professor & director of programs in economics.

Teaching: environmental economics, development economics, public economics (undergraduate), modeling for development economics (graduate)
Management: Director of graduate programs in economics.
- Since Sept 2019 International Journal of Microsimulation
Position: Associate editor
- June 2011 to June 2014 University of Sherbrooke
Position: Full Professor & director of

Teaching: environmental economics, development economics (undergraduate), modeling for development economics (graduate)
Management: Director of graduate programs in economics.

April 2008 to 2011 University of Sherbrooke
Position: Associate Professor

Teaching: public economics, environmental economics, development economics (undergraduate), modeling for development economics (graduate)
Management: Founder and director of GREDI (Research group on economics and international development), responsible for master program in economics, member of the research council of the university, member of the academic board of the university.

Since 2023 Università Degli Studi di Firenze & PEP Network
Position: Course instructor -Computable General Equilibrium Modelling.

June 2012 To dec 2019 Canadian Journal of Development Studies
Position: Francophone Editor

October 2009 To 2017 CERDI-University d’Auvergne
Position: Visiting Professor
Teaching: Introduction to CGE modeling for poverty analysis.

2013 To 2014 LAMETA-University de Montpellier I
Position: Visiting Professor
Teaching: Introduction to CGE modeling for poverty analysis.

August 2007 DEFI- Université de la Méditerranée Aix Marseille II
Position: Visiting Professor
Teaching: Introduction to CGE modeling for poverty analysis.

Sept 2004 to April 2008 University of Sherbrooke
Position: Assistant Professor

Teaching: public economics, environmental economics, development economics (undergraduate), modeling for development economics (graduate)
Management: Founder and director of GREDI (Research group on economics and international development), responsible for master program in economics

Oct 2003 to June 04 International Development Research Centre (IDRC)
Position: Economist, Team leader of the MIMAP program
Functions: Responsible for the global program at IDRC, Micro Impact of macroeconomic policies. The team is composed of 7 professionals (5 PhD in economics, one in epidemiology, and one research analyst and two administrative support staff. The program funds over 25 research projects with over 400 researchers and had an annual budget of 8 million dollars.

Oct-2001 to Sept. 2003 International Development Research Centre (IDRC)
Position: Economist, Senior program Specialist TEC and MIMAP program.

Functions: Responsible for the management of the MIMAP and Trade, employment and competitiveness (TEC) programs for West, Central and Northern Africa.

1999-2001 International Development Research Centre (IDRC)
Position: Economist, Program Officer TEC and MIMAP program.

Functions: Responsible for the management of the MIMAP and Trade, employment and competitiveness (TEC) programs for West, Central and Northern Africa.

- 1993-1999 Université Laval, Centre de recherche en économie et finances appliquées (CRÉFA)
Position: Economist, Research-Associate
- Functions: Preparation of economic models to study issues of trade, poverty analysis, agriculture, health and informal economy. Coordinator of CREFA training and technical support for Network of Economic Policy project housed at CODESRIA. Coordination of the PARADI training program (CGE modeling workshops). Responsible for the development and execution of international cooperation projects focusing on research and capacity building.
- 1992 Université Laval, Groupe de recherche en politiques économiques (GREPE).
Position: Research Assistant
- Functions: Research Assistant for the project « Social Dimensions of Structural Adjustment in Cameroon, under the supervision of Bernard Fortin. I was responsible to construct a CGE with informal sector of the Cameroon economy for social policy analysis.
- 1990-91 Department of Fisheries and Aquaculture of New Brunswick, Shediac, N.B.
Position: Supervisor of the inspection division of the province of New Brunswick region 3.
- Duties: Responsible of the personnel of the division, responsible of the administration and the application of the Fish Inspection Act and its regulations. Participate in the redrawing of the regulations of the Fish Inspection Act.
- 1989 Department of Health and Community Services of New Brunswick, Fredericton, N.B.
Position: Environmental Health Officer.
- Duties: Responsible for the application of New Brunswick's Health Act and related regulations.

6. Publications and working papers

6.1 Articles published or forthcoming in peer reviewed journals.
